

Check your poo.
You can do a test at home.

Your body is made up of cells.

Sometimes your cells get sick.

This is called cancer.

Your bowel is inside your body.

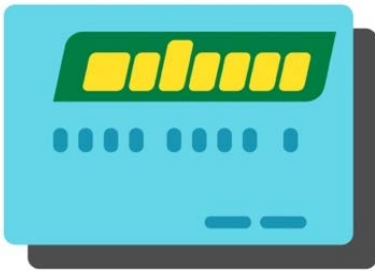

You can not see it.

You can get cancer in your bowel.

You can get a test.

It is **before** you are sick.

Your test may be free. Like

- You have a Medicare card

And

- You are more than 44 years old.

Like 55 years.

You are more than 50 years old.

And

You are less than 75 years old.

Like you are 60.

You do **not** pay. It will be mailed to you.

You do the test at home. You mail it back.

You do **not** need a stamp.

Or

You are more than 44 years old.

And

You are less than 50 years old.

Like you are 47.
