

**Check your breasts.
Have an xray.**

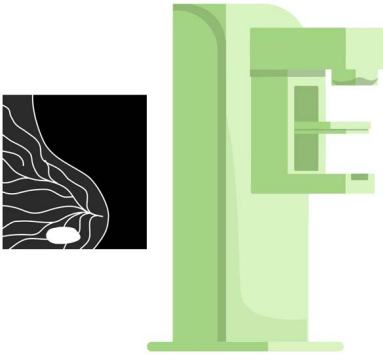

Your body is made up of cells.
Sometimes your cells get sick.
This is called cancer.

You can get cancer.
It may be in your breast.
We call it breast cancer.

You can get a test.
It is **before** you are sick.
We call it a mammogram.

The cancer may be very small.

You **can not** feel a lump.

You **do not** feel sick.

The test will find it.

You **may not** need to pay.

Your test is free. Like

- You have a Medicare card

And

- You are more than 50 years old.

Like 68 years.

You are **more than** 40 years old.

And

You are less than 49 years old.

Like 47 years.

You can **ask** for a free test.
